**IMPACT GRAPHICS**

"Graphics That Stand Out From The Rest"

## Experience...

- **BAKER WELDING & CONSTRUCTION, LLC.** - Logo Design  
March 2006 / Design of a modern welder that incorporated an image of welder in the design along with the company name with a professional look.
- **A DEFINITE REFLECTION** - Logo & Business Card Design  
December 2006 / Design for Prairie Rock Band - text logo that uses the first letters of the band's name and then we added a drop shadow with a rippled look to give the logo a water feel. Designed a Poster later that was incorporated onto business card along with logo.
- **BLACK ANGEL JIGS CO.** - Logo Design  
July 2007 / Design for a fishing lure maker, from clients rough sketches to sleek B/W logo.
- **CRITTER SITTER** - Logo & Business Card Design  
November 2007 / Design for new business in watching pets for people, I made silhouettes of the animals that gives a nice, bold image of the occupation. Then added two contrasting colors of clients choice to give it a modern look.
- **CREATIVE TILE CONCEPTS** - Logo & Business Card Design  
January 2008 / Design for a Tile Business with an elegant & professional look and inspired by the tile--therefore we used the texture of media on the card. We made a simple B/W logo and added the drop shadow and slightly tilted each tile as well as make each one smaller to give it a more modern feel.
- **HEALING TOUCH INTEGRATIVE MASSAGE** - Business Card Design  
March 2008 / Design for Masseuse at a Salon with a nice stock photo of a massage taking place with an aqua gradient background for a calming feeling.
